

## Ramona Faye Rose

September 19, 1943 - June 29, 2024

Ramona Faye Rose

Our Beautiful Mother, Grandmother, and Great Grandmother.

Ramona Faye Rose passed away peacefully at the age of 80 on June 29th, 2024. She was born to Edith E. Krivanek and Adolph J. Bukacek on September 19, 1943 in Dodge, Nebraska.

Everyone that knew Ramona admired her hard work ethic. She worked for Wells Fargo Bank for 43 years, and had a part time job at Francesco's where she made lifelong friendships. She finally retired at the age of 78.

Ramona was entirely devoted to her family. She had a unique and special bond with each family member and embraced every moment. She lived life to the fullest through the simple pleasures of reading, gardening, and drinking coffee on the patio. She had a special love for the game of pool and enjoyed playing weekly with her close friends.

Ramona had an uncanny ability to reach people in a deep and positive way. She had the best sense of humor which could light up the whole room. Her love never went unnoticed and to know her was to love her. She was "grandma" to everyone.

She is preceded in death by her parents Edith and Adolph, along with her twin brothers Johnny and JR.

She is survived by her children Duane, Mike, and Debbie (Jeremy). Grandchildren Makita, Braxton, Tanner, Landon (Shelbee), Bailee (Tyler), Myles, Camryn, Brenlee (Christian), and Brittyn (Gage). Great grandchildren Dom, Roxy, Ayslie, Liam, Krew, Emrie, and Kooper.

A celebration of life will be held at Serenity Funeral Home from 6-8 PM. Light refreshments will be served. 13863 South 2700 West, Bluffdale, Utah 84065.

“ I have two memories to share. Both were at Francesco's

*We were both working as servers and in the kitchen prepping food for delivery. A busser person came up behind me with a cart and clipped the back of my legs, this action oddly made me completely collapse (I was not hurt)... Ramona watched the entire thing and immediately started laughing hard and out loud! She thought it was the most hilarious thing she had seen and if you ever heard Ramona laugh, you knew it was something special. She continued to remind me of this funny event almost every year since.*

*The other memory was she was a bit on the sneaky side. When someone would order a meal with French fries, if you didn't get your food immediately to the tray, she would steal fries off the plate. Many times she got a quick hand slap for stealing fries.*

*Thank you for the special memories Ramona. I loved the 26 years we played pool together, and I will always remember you.

“ I won tickets to the country singer Steve Warner from KSOP so Ramona, myself Debbie and Shaye all went. I think Me and Ramona were crazier than our daughters. It was a night to remember. She was always so fun. I couldn't help but love the lady. She will be missed by all who had the privilege of knowing her.
