Her indistinguishable laugh, and her generous spirit is something that will be with us forever. Her loss has affected many and we are incredibly thankful and humbled by the outpouring of love and support from those who have reached out, sent meals and shared stories of how she impacted and changed their lives. “ *I worked with Becky at the Hahn Co. for over 12 years and beyond on other shopping center projects. She was a force to be reckoned with on the job site; but also very compassionate, understanding and encouraging. You could hear Becky's laugh from quite a distance. The group shown here was one of her favorite teams in the early 1990's with Hahn. Wonderful woman, countless memories.*

“ Two things Aunt Becky loved: her family and swimming. She was such a devoted aunt, mother, grandmother and sister. She was a friend to so many people and a light of hope. Auntie Becky Beck, we will miss you!!!! Your laugh and smile live on forever in our hearts.

“ *Becky I was so honored to be called your friend. Our friendship spans decades and countless hours of talking. You believed in me in a way no one did. You would inspire me in ways that made so much sense to me. Pushed me to attain my career, help others, learn boundaries and LOVE. I am not sure who I will whisper my crazy thoughts to now. To the family - Becky loved you so! She taught me family takes priority because she lived that... she helped with mine when ever she could attending our daughter's wedding and high school graduation. Breathe easy my friend.*
