

Rebecca Hobbs

July 5, 1928 - May 22, 2026

Our dear, sweet, and loving mother, Rebecca Hobbs, returned to her Heavenly home May 22, 2026, at the age of 97. She is now reunited with her beloved husband, her two children, her parents, and thirteen siblings who preceded her in death. Rebecca is survived by one dear sister.

Rebecca was truly one of the kindest souls to ever walk this earth. Her forgiving heart brought comfort and peace to countless people. She accepted everyone and made people feel loved, valued, and safe in her presence. She never met a stranger—everyone who knew her felt blessed to know her. She cherished family above all else and especially loved gathering everyone together for dinners in her home.

A woman of deep and unwavering faith, Rebecca allowed her love for God to guide every part of her life. She lived selflessly, always putting the needs of others before her own, and was a shining example of love, service, compassion, and devotion.

Rebecca married Milo Odell Hobbs in December 1952, and together they built a beautiful family with their seven children: Celene (Jon May), Milo (Nonie), DeLark, Xydell, Saadia (Kevin Rogers), Venus, and Shem. She was preceded in death by her children DeLark and Venus, and by her husband, Odell, who passed away in 2004.

Cottonwood Heights had been Rebecca's home for most of her life. At age 93, she decided to leave the cold winters behind and moved to Georgia, where she spent the last four and a half years living with Celene and Jon.

“ Rebecca was the very kindness sweetest lady and the very best next door neighbor anyone could ask for. She would bring us food and what ever goodies she had been blessed with. We loved her and so hated to have her move away. She always spoke of everyone she met with the spirit of goodness no matter who they were not one bad thought would you hear her say. How blessed I am to have known her and loved her. God bless you , you mighty spirit and daughter of God. We love you.

Rebecca Hobbs was truly an angel on earth. I first met her when she came to care for my parents, Julian and Norene Thomas. During the day, she took care of them with tremendous love, kindness, and compassion. Each evening, she prepared a healthy and delicious meal so that when I returned home to care for them through the night, everything was ready with such thoughtfulness and care.

Over the years, Rebecca and I developed a very special friendship, and I deeply appreciate all she did to support both me and my family. She will be dearly missed.

I loved watching her prepare for and serve her mission with such joy and enthusiasm. Even after returning home, she continued helping many people from Ecuador, which says so much about the kind and giving person she was.

Rebecca, I love you and send my deepest love and gratitude to you.

Love,

Dian Thomas

I loved/love Aunt Becky. She was always so good to my mom. She would take her out to feed the ducks in Murray Park, and they usually came back with ice cream. Then for the year plus between when my mom died and when Aunt Becky moved to Georgia we had some very nice talks. I've missed her. Love and condolences to my cousins.
