“ *It is painful to accept that she is no longer with us. I will always cherish the beautiful moments we shared together the laughter, the conversations, and the warmth she brought into every room. She was not just my bhabhi she was someone very dear to my heart.*

Her kindness, her presence, and the love she gave to everyone around her will always stay with us. The memories we made together are something I will hold onto forever. Losing her leaves a space in our hearts that can never truly be filled.

My deepest condolences to the entire family. May God grant you strength and patience during this difficult time, and may her soul rest in eternal peace. She will always be remembered with love.
