Richard William Deshler

9/01/1963 - 3/25/2016

Beloved Father Richard William Deshler passed away on March 25th 2016 at IMC Medical Center in Murray Utah, after an unexpected illness.

He was born September 1st 1963 in Salt Lake City Utah to Robert W (Rocky) Deshler and Clela Carol Wall.

Richard was a steel worker, carpenter, mechanic and all around handy man. He enjoyed many activities including sports and played baseball in school.

His greatest passion in life was raising his son Rick. He had a unique way of rebuilding and restoring old things and especially loved to share his knowledge with his son.

His favorite past time was fishing and loved to spend an afternoon on a lake with his boat or sitting beside a streambed with his dog Rocko and his son Rick drowning worms. He loved his dogs Buddy and Rocko, the outdoors and camping.

Richard is survived by his son Rick W. Deshler (Murray, Utah) sisters Connie

Hunter (Midvale, Utah) Lynn and Dave Bement (Oregon) and a brother Robert & Cathy Deshler (Murray, Utah).

No services will be held at this time. Please in lieu of flowers the family is accepting and appreciating donations to help cover expenses.

“ *Dear Rick. I am so sorry. It is hard to lose a father at any age in your life. I hope you will hold on to all the good times and memories. All the fishing, working on cars. Honor the things he taught you about cars. Live to make him proud. I know I'm proud of what a wonderful grown man you have become.*
