“ *Richard, You were there every time I needed someone growing up, to this day I cannot watch a Utah Jazz game without thinking of all the times we would watch them together. I am happy that you are with your parents and no longer in pain, I love you and I will miss you. Thank you once again for being such an amazing uncle!*

“ *Richard, I am sorry your life was so difficult, and I hope you are in a place that brings you happiness and freedom from pain. You and I are brothers, even though we were not close, I still loved and cared about you. Our Mother passed away 2 days before you did, And I hope she and Dad came and got you together. Rest in peace brother. till we meet again.*
