“ *What a wonderful person! I got to know Corkey through visiting teaching. (20 years!) She was a dear, sweet friend. Her homemaking skills were legendary. She always had a smile on her face and always welcomed me into her home. I will miss her.*

I spent many hours in Corky's home planning Relief Society activities. Our kids spent many hours helping her with her garden and yard..Corky was one of a kind. I'm sure she is whooping it up in Heaven right now. Rest in love
