

## Rob Hansen

June 4, 1954 - March 6, 2015

Rob Hansen passed away peacefully at home on March 6, 2015. Rob was born June 4, 1954 in Salt Lake City to Robert & Marilyn Hansen.

Rob graduated from East High School; he was an extremely good athlete in his younger years and was the most feared baseball pitcher in the State. He loved his 1968 Camaro, the Beatles and the Utes. He married Lori Rowley and was later divorced. They had a son Jeramy who Rob adored.

Rob had a stroke at the age of 38 and was disabled until his death. He never complained about his disability and always made the best of what life dealt him. Jeramy was his rock and reason to keep living. Rob was an inspiration to all who knew him and was a "Great Guy".

He was preceded in death by his mother Marilyn, Brothers Mike and Mark and Sister Kristine. Rob is survived by his son Jeramy, Brother Rick (Lori) nieces Melissa and Heather and nephew Alan.

Graveside services will be held 1:00 p.m. March 10, 2015 at the Salt Lake City Cemetery.

A special thanks to the Salt Lake Aging Services, Noelle and Community Nursing Services who have helped our family take care of Rob over the years.

“ I'll never forget the day Jeramy and I were playing Castlevania 2 downstairs on the Nintendo. You told us several times to turn it off and we just couldn't do it. Next thing we know the basement went dark, the screen black.... you flipped the breaker at the worst possible time!

We were about to beat the game and off it goes. Get up here it's breakfast. (And it was the first nintendo that didn't auto save so we had to do all that work again).

*We live right behind the white house where Marilyn, Rob and Jeramy lived. Jeramy and our son Matt grew up together and are best friends. We attended many little league baseball games with Rob to watch Matt and Jeramy play (Jer was a pitcher) which we all enjoyed so much. Our hearts and thoughts are with Jeramy, Rick and the rest of the family.*
