“ I am SO sad to hear of Bob's passing. Bob was such a dear friend. He was my high school business instructor and entrepreneur mentor in 1999. Bob was instrumental in starting the dry cleaner business/entrepreneurship through Red Hanger & Smith's grocery store in West Jordan which he trained the students (who were trusted and seen with high potential) well for. I remember his classic "kiwi injection" phrase & reward for those who misbehaved or "broke wind" in his classroom. Although Bob had rules for the classroom, He was nevertheless a very kind man. He and his sweet wife Martha (who worked for Granger Medical Clinic at the time) took me in and made me feel right at home one weekend and they cooked me some hardy steak and eggs. Bob also showed me his fifth wheel Sandpiper trailer which he loved to take out with his 2000 Dodge Ram, double axel pickup. Bob was known then, as he will always be today as kind, loving, gentle, compassionate, Christlike, and selfless. He will be sorely missed.

*Love you Bob. Thanks for being my friend.*

“ We put off getting to know Bob for too long; thought he might find us a little too Nigerian. How wrong we were. We will miss him and wish Martha and the family all the best. Our love, Mark and Rebecca Crandall, Highpoint Ranch cohorts.

“ I'm so sorry for your loss. I have many fond memories of Bob at the RTI. He taught me so much and was a wonderful mentor. He will missed by so many. Thank you for sharing the information with all of us that love him and your Mom. You are in my thoughts and prayers.

“ So sorry to hear about Bob's passing! Those of us that worked with him at Granger HS have great memories of this kind, steady man. I also was privileged to coach Tiffany on the drill team and got to know Bob in the roll of supportive father....great family!

“ Bob was a member of the 625th MP Co, while I don't recall knowing him while I was in the unit. He came to the MP reunion that was held back a few years ago, that is when I met him! Very nice man! We became friends on facebook and I followed him on a regular basis. I really got to know Bob when he and his wife moved up to my neck of the woods only couple of months ago. I picked him up on our first breakfast get together and I showed him around the Layton area the best that I could. Then it was a once a week deal I would pick him up and we would head over to Sill Cafe! He would tell me about his time in Vietnam and his other military duties. He was one proud grandpa too! He also told me how he met his beautiful wife! One morning he brought his wife to chow with us as I brought mine! It was a great time. I only wish we had more time together.....
