Ronald James Hartle

August 1941 - January 2018

Ronald James Hartle peacefully passed away January 9th after a few days of loving visits with family and friends.

A life long Utahn Ronald was born in Murray to Virginia and Ralph Hartle in 1941. He grew up on a small farm with a sometimes difficult home life that was buffered by his membership in the Church of Jesus Christ of Latter Day Saints to which he remained faithful all of his days. Ronald graduated high school and joined the coast guard at age 17, returning to serve a southern states mission for the LDS church. He then attended BYU where he met his partner and love of 54 years Susan Ann Hansen, whom he married after a short courtship in 1963. Early happy days of their marriage were spent in Kaysville, Utah where they had four of their five children and made life long friendships. Ron made his living as a data processing manager, providing a lovely stable home for his wife and family on the mountainside overlooking the Bountiful valley and great salt lake. He made a goal to run the St. George marathon and accomplished it when he turned 40. Ron loved his large family, the church, warm weather, golf, Hawaii, a beautiful full moon, a long tub,

geese in flight and a good road trip or afternoon drive. He also relished his creature comforts and was never happier than with his feet up in the recliner, clicker in hand, detective show or sports on the TV and a bag of snacks and diet soda by his side.

Ron is survived by his loving wife Susan, 5 children: Shannon, Ryan, Amie, Sara & Caleb, 17 grandchildren, 5 great grandchildren and 4 siblings. We all have our special memories that will sustain us through the loss of our brother, husband, father and grandfather.

We love you and will miss you sweet Ron/Dad/Papa.

A celebration of his life will be held Friday, January 12th at the Riverton Tithing Hill LDS Ward 1208 West, 12400 South from 4:00 – 5:00 pm. A visitation will be held prior from 3:00 – 4:00 pm.

“ *I have many fond memories of Ron over the years I knew him. My favorites are from our trip to California to take his granddaughters Mia and Noemi to Disney and SeaWorld and stops at the beach along the way. Rest peacefully, thanks for all the memories.*
