

## Rose Marie (Mimi) Ciura

April 17, 1951 - March 17, 2014

Rose Marie (Mimi) Ciura passed away peacefully on March 17, 2014 at her sons' home in Tooele after a relatively short battle with cancer.

Mimi was born on April 17, 1951 to William and Dorothy Diel in Tooele, Utah. In her early years, she lived in Stockton before moving to Tooele. She lived in Washington State for a couple years where she became a mother to her only child, Allen. Mimi married Tony Ciura, the love of her life, on February 9, 1980. After retiring from Tooele Army Depot, she moved to Marysvale, UT to live with her loving husband Tony. They enjoyed their winters in Arizona with friends. She loved riding ATVs and spending time with her family and friends. One of her greatest joys was being a grandmother; Saige was a great light in her life.

Mimi was greeted by her parents Dorothy and William, brother, Willy, and Grandmother Rosella Barton.

Mimi is survived by Tony, her son Allen, daughter-in-law Brisi and her beautiful granddaughter Saige. She is also survived by her siblings Sherry, John (Paula), Roger and Brother-in-law Jimmy (Teri), along with many loving nieces and nephews, friends and other loved ones.

We would like to thank the Doctors at Utah Cancer Specialists, everyone at Intermountain Medical Center and the amazing nurses and aids from hospice. We will be celebrating Mimi's life on March 29th at the Eagles Nest ( Tooele Army Depot Bldg. 1005) beginning at 11:00am to 2:00PM. Please feel free to join us in our celebration. For more information, please feel free to call Brisi at

“ *Tony, I am very sad to read this obituary. I haven't heard from you in many years. I have a funny story about Mimi but it would embarrass you so I will refrain from details here. It was a introduction error when you guys came over to Grantsville for my oldest son's wedding right after you two were married. I didn't know if you'd ever get out of the dog house that time. Hey, old buddy, keep those special memories alive and know that Mimi was loved by many. If you ever get to St George, look me up. 435-840-2366.

“ Tony & family - So sorry for your loss. Mimi was quite a character & fun to work with. Always making us laugh. I will always remember her telling me of her collection of wall clocks & Ferbies. She will be missed, but she's in a better place.

“ There are no words only sadness! I met Mimi so many years ago that I can't even remember for sure when. I do know that Tony brought her into the Sandbagger one night and it wasn't long after that they got married. Years later I worked with her at the depot. I worked nights at the Eagles and talked Mimi into coming to work there as well. I think my best memory of Mimi is the night I told her I was going out with Glenn she said Glenn who? I told her Glenn Lovell and she said no way and couldn't believe it.. then she told me that he was her brother in-law. What a small world!!  
My heart breaks for the entire family. I love all of you...I pray that time will ease your pain.  
I believe that one day we will all meet again

“ Her Dinosaurs & Furnaces always made me laugh we had so much fun playing with them on the cowboy porch in Marysvale where we had our own special room at Tony & Mimi house until he beautiful Saige was born now it's Saige room. We loved taking Saige to Marysvale in our motor home so she could spend time with Grandma Mimi and Grandpa Tony lot's of great rides in the mountains and walks in town.
