“ *I miss you mom! It's been three months since you left us. This time of year, you are everywhere! Mom loved Christmas time, she always had a designer tree, it was beautiful! She loved to go to modern display and the quilted bear, such warm and fun memories. I miss you so much every day. I love you Mom!💔*

Steve... I'm a long lost x sister in law. I am so sorry for your loss. I didn't know Sandra extremely well but given the years you were married... she must of been an extraordinary lady. I just want you to know I am so sorry for your loss of your mate. Even though there will be a short separation from Sandra... I'm sure you know there will be a reunion not far off in the future. It's only for a little while. Wishing you strength, endurance, and feeling the spirit of Sandra beside you when you need her the most. Thinking of you and wishing you comfort and peace. Most sincerely...Helen Curry Macias. Joye's baby sister

Sarge, You were one of the best mechanics I ever Knew. I worked for you for years in Midvale. You taught me many things about mechanics. You helped me in my personal life. You and I had a great deal in common with our favorite love of Chevy's. I do surely miss you. You were a great mentor and great friend. Sondra you were a great friend as well with your never ending laugh and smile. I know someday in the afterlife we will meet again....Message by: Larry Morrell
