

Scott Douglas Baugh Sr.

October 2, 1959 - May 30, 2019

Our beloved Scott Douglas Baugh Sr. was called home on May 30th, 2019. He passed away peacefully with loved ones by his side.

Scott was a hard worker who spent 20 years as a Roller Operator for Stakerparson. His commitment to his work only came second to his dedication to being a husband to his wife of 35 years, Heather; best friend and coworker to his son, Scott Jr. and father to his daughter, Nicole.

Scott was a man of integrity, making it easy for him to cultivate friendships wherever he went; many of which were lifelong. As an avid outdoorsman, Scott enjoyed fishing, hunting, and shed hunting with his family and friends. He also enjoyed going Jeep'n with Heather.

Scott is survived by his wife, 2 children, 5 grandchildren, 6 siblings, and many nieces and nephews, who all held a special place in his heart. He is preceded in death by his mother and father.

The family would like to extend their appreciation to those who showed great compassion and care for Scott in his final months of life.

Funeral Services will be held Monday, June 3rd at 12:00pm at the Oquirrh 4th Ward, 5208 W Cyclemen Way, West Jordan, Utah, with a Viewing prior from

“ *I had the privilege of growing up with Scott and his family in Draper. His dad and mom were great people. Threw a few tomatoes at cars with Scott and coached Little League Baseball with him. I remember Jr when he was a little turd, playing Baseball with my boys. Worked with Scotts older brother pouring concrete. It was just a good family. Hard working and honorable people. Rest In Peace Scott. We will miss you.*

“ I remember Scott helping me learn to pave over 15 years ago. He was a man who took great pride in his work and even greater pride in his family. He was the roller operator on the first crew I worked for. He always worked to fix others mistakes to make jobs look perfect. All while pointing out how and why the issues occurred and what could be done to avoid it. I remember him telling me a story about his son thwarting a car stereo theft at there home in the middle of the night. The pride you could see in his face as he shared the story was apparent. He always had a look of accomplishment when he spoke of his family. I always felt he was a great guy. Recently I moved to white city Ut. A small area inside of sandy where Scott lived for quite some time. I was surprised how many of my neighbors would see the Staker and Parson logo on my truck and immediately ask if I new Scott. He must have made quite thee impression because everyone spoke nothing but kind words. This only reinforced the way I already viewed him. A man of great character. He was one of a kind. And I'm glad I had the pleasure of knowing him.

“ *My heart goes out to the Baugh family for there loss.
I had the privilege to work with Scott Sr for his 20 years of service
that he provided for Stakerparson.
I remember in the late 90s early 2000's sharing duck hunting stories
with Scott about Farmington bay.
Scott was a very dedicated employee and even when his health
started declining over the later years you could always depend on
him to be there every morning with work boots on and lunchbox on
the roller.
Scott Sr will be greatly missed and I am proud to call him friend.*

“ Our deepest sympathy and heartfelt condolences go out to the Baugh family from the Staker Parson family that we are all a part of.

Scott Sr. was truly an asset to our company and will be sorely missed.

I will always remember Scott's integrity and his devotion to his trade.

By far one of the best asphalt roller operators our company has ever employed with a deep sense of pride, craftsmanship and accountability built into every job he was a part of.

Scott was always willing to step up to the tough "cut up" little parking lot jobs and then roll thousands of feet of mainline with out a visible flaw or density issue.

Training other roller operators was also one of Scott's strong traits and we have several roller operators working for us today that are on our projects thanks to Scott.

Scott's memory will live on forever with all of us here at the Staker Parson Companies and we will try to live our lives with the honor, integrity, and honesty that Scott always portrayed.

Until we meet again!!
