“ Today I started thinking about you. And how much I miss you.. I remember how you would always ask me to go fishing with you but my family would never let me. I remember how I could tell you anything. I remember when you would call me and we would stay up all night talking about literally everything. I love you and I hope you're dancing in the sky❤️ RIP

“ Dear sweet Sean... You were such a sweet young man. One of my fond memories is our trip to Savannah when you were a lil fella. You screamed all night not wanting to go to sleep and your sweet momma had to take you for a drive. You were such a stinker ;-) I was there when you were born... I love you dearly. Rest in peace Sweetness.
