“ *I didn't get to know Shanna for very long but I was able to spend about 6 hours a week with her for about 6-8 weeks. I grew to love her dearly and think about her often. She was a great friend to me and I enjoyed her company immensely. Much Love, Danielle*

“ *Deepest sympathy Jolene, Collette, and Karla. It's hard losing your Mom! I have fun memories of her and all of you when you would come to visit Grandma, or my Mom and Dad. I remember going to your house in Sandy and listening to your Dad play the Acordian and hearing your Mom laugh at all the stories and happenings. She had an infectious laugh. I love the picture you have displayed of her because that is exactly how I remember her, beautiful and happy. May God bless you all during this difficult time. Love always, Peggy*

Hi Jolene, Collette, and Karla - and families - losing a mom is pretty rough. I'll always remember your mom when I first moved to Salt Lake City. She made me feel like I had family there when I felt like my family was so far away. She had a great way of making feel needed and wanted. Loved sewing for her. Carolann Duncan

*I am forever grateful for and to Shannon for her kindness to a stray kid needing a home for the summer. She took me in and gave me a home, fed me and cared for me. I will never forget all that she did for me. Beanie, Sam and Karla thank you for sharing your mom. Love you all
