“*Sharla, I am so grateful that we made that little jaunt up Little Cottonwood Canyon to visit your Grandfathers "rock". We made a lasting memory that I will never forget. Your graciousness and beauty shown through that whole day. To spend time with you and your son Camron, and your cousin Ron Glover was so much fun, love you Uncle Marlon*

“*Sharla, you were a beautiful woman of grace and although we only knew each other on facebook and was married to my nephew, I know that someday, we shall meet in heaven above. God Bless the Schell and Peterson families.
