

Shawna Newsome Harr

December 29, 1964 - September 11, 2021

Shawna L. Newsome Harr was born on December 29, 1964 to Dave and Marcy Newsome. She passed away on September 11, 2021 of complications associated with Covid-19. Her greatest joy would be found in her grandbabies, in cooking for others, traveling in her RV, and in shopping (She loved finding obscure trinkets and keepsakes).

She is survived by her husband and best friend of 39 years, Keven Harr; their children: Charlotte (Jay) Underdal, Rand (Journy) Harr, Stephen (Kirie) Harr, Aaron (Ashley) Harr, Paris Harr, and Sawyer (Lahra) Harr. Three brothers: Russ (Tracey) Newsome, Jed (Melissa) Newsome, Tommy (Andrea) Newsome; one sister: Sarah (Josh) Webb; one near sister: Melinda Demille; 25 grandbabies, many extended family, and many, many friends.

She is preceded in death by both parents, sister Patricia, brother Davy and granddaughter Lily.

Shawna leaves us as a shining example of someone that truly reached out to others and enjoyed trying to help others feel good about themselves.

A small family viewing will be held on Thursday at 2 pm for those who do not have covid symptoms at Serenity Funeral Home 13863 So. 2700 W. Bluffdale. A graveside service will be held on Friday at 12:30 pm at the Eagle Mountain

Cemetery. The family requests that masks be worn by all who attend.

“ *Shawna, I remember the day you were born. Knowing I had a new little niece brought me so much joy! I used to babysit you when your parents had date nights. I also spent a lot of times just staying with you and your mom*

during the day when your dad was at work and helped your mom. It was fun watching you grow up! You were such a beautiful little girl with such a funny personality! You grow into a beautiful woman and wonderful mother and grandma! You and I had fun messaging each other. You were always able to make me laugh!

You and Kevin were supposed to go target shooting when you come home.

I was so shocked to hear that you were gone! We'll have you in our thoughts when we got our and target practice!

Shawna, you had such a big heart and have so much love to your family and friends. It was such a blessing to be your aunt. I'll miss you and the fun messages you used to send.

Kevin, Shawn a loved your with all her heart. You were so lucky to have each other!

We loved your and are here for you!

Shawna, I'll always love you and miss you!

I have only known this lovely lady for a short period of time. From the first time that I met her I was amazed at the kindness and love she exemplified toward others. Even me a stranger, she carried a light within her that was so evident to me. She was a happy person and I could see how much true love she felt for her husband Randall; just by my observation. I know she will be very missed by her friends and family. My condolences to the family.

“ *Shawna is a wonderful, compassionate friend. When we first met as friends I knew that we were friends in premarital life. She was always willing to help, to talk. I loved the talks we had. We bonded over our love of animals, especially our kitties. Shawna, I am sure we will meet again in Heaven and continue our friendship. Thank you for being such a good, kind influence in my life. “ *Shawna was so kind to me and helped me clean up the whole ward house after Andrew and Jenna's wedding Reception! What a wonderful, special, sweet, kind, hard working Adopted Mom to Andrew. What a blessing that Sawyer is now your brother! And Sawyer we Love you like a Son too. It was a huge honor to know Shawna and to love her for a short time. But, we will all be together again. I know there is life after death and that Christ lives and because of his atonement we are not lost! Till we meet again. Love, Tiffany Nelson*
