

Shelly Elizabeth Johnson

September 19, 1977 - April 2, 2022

Shelly was a good girl. Shelly Elizabeth Johnson was a member in good standing of the Church of Jesus Christ of Latter-day Saints, and loved the scriptures. She served in the Arizona Tempe Mission, attended Brigham Young University, and graduated from Southern Illinois University. She had challenges in life, but persevered in coping with them. She was born 19 September 1977 in Falls Church, Virginia, and lived with her family in Japan, Jamaica, Niger, Turkey, Austria, and Belgium. She is survived by her parents Stan and Jill Johnson of Carbondale, Illinois, and her four brothers; Stephen and Seth of Carbondale, Matthias (Camilla) of Springville, Utah, Michael (Chantre) of Indianapolis, a nephew, Moses, and a niece, Nova, as well as several uncles and aunts.

We look forward to seeing her again with whole mind and body in a happy reunion.

She needed a liver transplant, but the operation was not successful, and she left this life in the early morning of April 2, 2022. Her last wish was to be an organ donor to help others. Jill was with her at the hospital.
