“ *I had the privilege of doing Renee's hair for the last 14 years. I loved it when she came in because she was always positive and always busy serving others. She loved her family and talked about them all the time. The last time I did her hair it was just me and her in the salon. I will cherish that day forever. I loved her and love her family. “ *Renee was my best friend when she lived in Hurricane, West Virginia. She and her family moved when we were in about fifth grade. She made up a lot of my childhood memories when we were just little. We used to play in her basement and have sleepovers and do all the outside things that we could get into. After they moved to Dunbar we lost touch, but I will always have the memories of her when we were children. My deepest condolences to the family, I am so sorry for your loss.*
