

## Shirley Clark McKinnon

September 10, 1934 - September 22, 2015

Shirley Clark McKinnon- singer, beauty queen, honorary 2nd Lieutenant, teacher, leader, mother and grandmother went home September 22, 2015. Shirley lived as if Christ were at her side. She welcomed her children, grandchildren and many “adopted” family members into her home with love, a listening ear, and always a large platter of Caramel Squares (may her legacy live on: see recipe here – <http://bit.ly/shirleycaramel> ).

She taught by example. Her many strengths live on in her children: Denece's flair for finding the beauty in all things; Quinn as the renaissance man complete with music, drama and creativity; Ryan's thirst for knowledge and his natural desire to care for others; Michael's sense of humor and campy show tunes bring peace, joy and validation to all; Mechelle is a brat (Michael probably wrote that). Mechelle is mom incarnate -- practically perfect in every way (Mechelle definitely wrote that).

Shirley shared her love of learning with all of us. She took every natural opportunity to teach gospel principles with simple things. Her life, and therefore our lives are faith based. Shirley was born 81 years ago on September 10, 1934 to Samuel Woolley Clark and Ada Myrle Pocock. She met Richard D McKinnon at the freshman dance at BYU, fell in love and were sealed together in the Salt Lake Temple. Their posterity includes “heaven's best” five children, 25 grandchildren and 20.5 great-grandchildren. She makes a difference. We love her very much and miss her kind light. A memorial service will be held Saturday, September 26th at 10am: LDS Chapel 650 East

Stadium Way, Provo Utah 84604. "This is bunk."

“ From the reading : in the begining, in order to guide and to fortify his servants when needed, Yah used to talk directly to them but today it is different. but Yah still reach us each personally through his organization. So i have to stay close with the organization, keep up with the spiritual food we get with meeting, publication, website, stay close with the brothers because Yah used them to guide me and help me to overcome my challenges.

With Jacob, to avoid discussion more than once he abandon the dwell that he build. That remind me of the last talk of the convention and remind me that, when conflicts, to get peace I shouldn't be focusing on figure out who is in fault or not, like Jacob, even if i am not the one at fault, n9t easy, but i should decide to seek peace and move on. In ministry, I should avoid discussion initil, and I shouldn't try to correct everything that someone is saying that is wrong in just one day .
