

Siale Maveni Angilau

May 22, 1988 - April 21, 2014

Siale Maveni Angilau, 25, passed away on April 21, 2014 in Salt Lake City, UT. He was born May 22, 1988 in Salt Lake City, UT, to 'Otufangavalu Katoa and Maveni Angilau.

In 2005, Siale was an All-Region football player for East High School and later graduated in 2006 from Horizonte High School.

Siale had a smile that lit up any room. He was quiet, strong willed and had a 'heart of gold'. He always cared and watched out for those he loved. One thing he hated was seeing his loved ones sad or upset. Siale was known as the 'protector' and always made sure his family was in a good place. Family played an important role in Siales life. He was very independent and didn't like others to worry about him, particularly when it came to family. He was a firm believer in respect, which he always showed his parents and especially his grandfather 'PA', Sione Hia Katoa. That same respect and because he always kept his word, is what made him a loyal friend. Siale's friends were a big part of his life and he enjoyed the time he spent with them. He will forever be remembered by all as an 'over protective', loving and caring guy. Rest in peace and love 'Charlie', till we meet again!

Siale is survived by his grandfather: Sione Hia Katoa: Parents, Maveni and 'Otufangavalu: Siblings, Tolina (Taniela) Tausinga, Naisa, Inoke (Kalolaine), Siola'a (Tipiloma) Nau, Sione, Vilisoni, 2 niece, 6 nephews and many aunts, uncles and cousins. He is preceded in death by grandparents: Sisilia Moa Katoa, Mele Falepoini Tuiono and Teisina Angilau.

We would like to say a special thank you to Michael Langford, for the love and support he has given to Siale and our family.

“ My husband and I got married Oct 26, 2002. We got an apartment behind Mac Donald's on 1700 S n redwood road. Early one morning my husband heard a knock on our door n Naisa(my hubby) went n got the door. He saw this guy on the door n He was asking for Bou. My hubby asked who he was n he said he was from the Katoa family. My hubby recognized from his face that he was Maveni's son n asked if he was, and he said yes. My husband told Siale not to ever lie to him again. I missed my husband alot for he was on the road most of the times for he was driving a semi truck. So, I went with him on the road. When we came back, our apartment was not in a good condition. Siale and Bou have been partying at our apartment n we got kicked out. I know our son Bou is hurting real bad in jail because he is losing a homie and a friend. We pray for our son and all the Tongans in jail that God's peace and comfort be with them during this difficult. Our condolences to the Angilau and Katoa family. Love n God bless!! Naisa n Line

“ R.I.L Siale!! You were always good to me. You are one of the main people who made my summer of "07" the best & most memorable year. The first one who have me my nickname "Peanut Buttah", the one who introduced me to the jailhouse burrito & called my twin, Sarah & I your monkeys, telling us not to go out & yelling at us, if we did. You were the protective brother I never had. You will be missed: (Ofa Atu!
