“ *Dr. Fassio and I enjoyed having Steve as our friend and employee at Mountain Valley Eye Institute for over 10 years. He was quick with a smile and a positive attitude. His genuine love of people was shown by his daily interactions with his customers/patients that he treated more likes friends than patients. Our hearts go out to his family as we know he will be dearly missed.*

“ Coleman family,
I'm so saddened at Steve's passing.
He was so fun and loving and growing up in Midway together we were good friends. He hasn't seen his sweet mother in a long long time, it will be a great reunion❤️
may the Lord bless and comfort you at this difficult time.
Praying for you Katie 😊
