I have seen my last tomorrow,  
I am holding my last breath,  
Goodbye my sweet world of sorrow,  
My new life begins with death.  
I am standing on the mountain,  
I can hear the angels songs,  
I am reaching over Jordan,  
Take my hand, Lord lead me home.

“ *Hi my baby Russell! It's been one year and four months since your earthly life ended. I miss you more and more each day. So do the girls. Your mom is with you now. Her passing was sad but for me it was comforting knowing that you two are together. When I told kourtney she was going to heaven soon she said "well then that is kind of good because she will be with daddy, right?" She is such a smart girl. You are the love of my life lover lips! Till we meet again! Love always and forever, Punky*
