

Steven Vance Thompson

October 22, 1983 - August 24, 2022

Steven Vance Thompson 1983-2022. Our son, husband, father, brother, uncle, grandson, nephew, cousin and friend fought a long, valiant battle of several medical issues and was given his rest on August 24, 2022. Steven was born on October 22, 1983; he is the son of Larry Vance and Jean Thompson. Together they helped raise eight children, Steven being the younger twin with Anthony and a big brother to his siblings, all of them being the “pride & Joy” of their parents. Steven is a member of the Church of Jesus Christ of Latter Day Saints. He is an HVAC Journeyman for the Union Local 312 and a very dedicated hard worker.

Steven loved family and often expressed how much he loved us and how much his wife and son meant to him. Steven loved cars from the time he was big enough to roll them around on the carpet. He loved the mountains and liked to hike and held in high esteem some

friends who were a big part of his life. Steven had a talent for carpentry & mechanics, with no special training except what his dad taught him, he took pride in his work and was a perfectionist on the things he did. He had a special love for his dogs and a deep respect for friends who came to be his mentors. We thank those men for their compassion and love on Steven's behalf.

Steven is survived by his Wife, Brenna and son Larry, his mother Jean, brothers Larry, Spencer, Jacob and sister Ambria, and also by his grandmother Carol. His Father Larry, sisters Jeanie and Leisa, his twin brother Anthony and several grandparents precede him in death.

Steven's family would like to thank all those who have been a mentor, a friend and an inspiration to him, and the many professionals on his medical team who cared for him. He acknowledged each one of them and was grateful to them for helping him. Those who know and love Steven will miss him greatly and those who didn't know him missed out.

“ *We have been friends with Steven since junior high and high school. He always had a good sense of humor and wanted to make sure people were happy when he was around them. Brenna, He spoke often about how much he wanted a family of his own. Please always remember, that you and little Larry were what he wanted most in his life for a very long time. His family was his happy place and he loves you both deeply. We are so sorry for this huge loss. So much love to you all, Always.*

“ *Steven came to help me do some yard work recently. I could tell he was not feeling well but it meant so much to him to be with family and do what he could to help out. I remember him pushing a wheel barrow filled with yard debris and his sweet little baby walking in front of him helping push it too. When Steven used a shovel, the little one did too, what a wonderful sight it was to see them working together. It will always be a precious memory. I admired Stevens strength and determination.*

“ I never heard Steven complain about being sick. If asked, he would sometimes say "I've had better days.", other times he would tell me "I'm feeling pretty good today." He would call me to see how I was doing. He would be a treasure for any Mom, but he was mine.
