

Sylvia-Ann Evans Gregersen

January 8, 1939 - July 16, 2021

Sylvia-Ann Evans Gregersen, Our white light passed away peacefully, surrounded by her family in her own home on July 16th, 2021.

Our mother had many traits, She was most known for her optimism and positivity. If you knew her, you knew how optimistic and positive she was about literally everything. If you happened to be in a bad mood around her, her positivity almost became annoying. However, she would quickly win you over, making it impossible to stay upset. She had the most kind heart and made you feel like anything was possible. She was a beacon of light to her husband, kids, family and friends. We had an open door policy at our home where we had many “strays” animals and other people’s kids, come and live with us throughout the years and they were treated as one of the family. She had a special knack of making simple moments grand, and the ability to make a 7 course meal out of absolutely nothing in the fridge. The thing she maybe the most famous for were her back scratches! They were the BEST! The other is her class and beauty. She is and will always be the most beautiful, vibrant woman in the room. She married our father, Ole Richard Gregersen in June of 1965. At that time, she made it very clear that she was going to have 5 kids. That she “was made to be a mother”. “5 kids” was one of the last words she spoke. Her family was her life and always came first. There is no manual for life, which is why we were blessed with our Mom. She always ended her phone call with, Love you bye!

She is preceded in death by Ralph Leroy Evans (Father) Floriene Wells Evans (Mother).

She leaves behind her husband Ole Richard Gregersen, 5 Children, Cynthia, Richard (Kaye), David (LaNeace) DeAnna (Kent), Kelly (Clive) and her Brothers Steve and David Evans.

7 Grandchildren, Korbin (Kacilyn), Tanner, Jemini, KayLee, Chance, Elle, Eva and 1 great grandchild, Averie Rose.

An open house memorial service will be held in her honor on Friday, July 23rd from 11am – 1pm at the Cottonwood 1st Ward located on 5913 South Highland Drive Holladay, UT 84121.

“ *It's the day before Easter 2022 and I am looking in my closet wondering what I will wear tomorrow for Easter. I remember Easter vividly as a child growing up. The amazing Easter baskets that were so delightful to see first thing waking up.*

coloring eggs and of course the Easter dresses with new shoes to go with it. I love those days.

You were enchanting in every single way. Holidays were nothing short of magical, I miss you mommy, I love you so much. I can still hear you say "I love you more".

“ *My treasured memories with my grams is when I was a lil kid and we would sit on her big fancy bed and watch a VHS of sailor moon or rewatch the iron giant for the 100th time. I would play in her jewelry and she would tell me stories. She always believed in me and I will forever treasure that. "I go, you stay.."*

I love you grams

“ I think the 6 Brown children could be considered some of the 'strays'. I recall at least 3 trips that I was privileged to accompany Sylvia and Richard as their babysitter for the children. I remember helping care for the children multiple times. Sylvia was my substitute mother who taught me about makeup and skin care. I remember getting asked to leave a casino w/Richard when I was 15. I know Cindy was my flower girl at my wedding. Sylvia was a true lady who loved all. The world will be darker w/o her 'beacon of light' shining.

“ Well Ma, not sure what else I could tell you more than what I have told you my whole life. Thank you, Thank you, Thank you. You have always been there for me. You have always helped me in need. You provided me and my children a home when we needed one. You have more faith in me and my abilities than I do for my self. You have always been proud of me and accepted me for who I am. My children and I will miss you greatly. Thank you for installing good qualities in me to be the person I am today, cause I am pretty amazing! :) I love you forever and always!
Love you more, Love you bye (for now)

“ Sweet momma. Every moment of my life spent with you was a treasure to hold on to and memories that will last me a lifetime. The last 6 months was priceless for both Eva and I. Together we taught her patience and kindness and what true love looks like, and what it really means. Thank you for sharing with us, giving everything you had and always being there for your kids. I love you so much lil momma
Love you more, love you bye
