“ Taylor was like a second son to us. Brandon and Chewy were always close and we always enjoyed having him at our home. He always made us smile, laugh, enjoy life just a little bit more when he was around. He was the only friend of Brandon's that we ever loved and trusted. Chewy will always be a part of our family. We will treasure our memories of Chewy forever and he will always be part of our hearts.

“ I taught Taylor's eldest son. I was very impressed with Taylor when he came to parent-teacher conferences. He is remembered at his old elementary school.

“ My granddaughter Briana brought Taylor to our house to introduce him to us, poor guy was terrefied. We didn't get to know him well but Briana truely loved him. He died protecting our grandchildren that night. And that's something we'll never forget and forever be grateful, Taylor was recieved by god at the gates of heaven and he truely earned his wings. God bless you Taylor, Briana and all his friend's and family.
