Ted R. Milner

May 3, 1947 - February 14, 2014

Ted R. Milner passed away on Valentine's Day, peacefully surrounded by family. He grew up in Salt Lake City, earned his Eagle Scout award, graduated from Highland High School, and served in the National Guard.

Ted worked as a heavy equipment operator for over 40 years. He loved nature, fishing, hiking, the red rocks of southern Utah, music, and road trips. He loved life and lived it fully. We will miss him every day.

He was a loving son and a wonderful grandpa to Theo, Madison, Carson, Boston, Dylan, Ashlyn, and William. He is survived by his soul-mate Patti Middaugh, daughter Molli, grandson Theo, father Bill, sister Deanna, and brother Scott.

Ted did not want to have a funeral. We encourage friends and family to share your memories at serenicarefuneralhome.com. Please celebrate him in whatever way you feel he would have loved.

sorry for your loss, I first met Ted in the National Guard way back in the late 1960 early 1970, we had a lot of fun when we were together, we both ran heavy equipment, Ted had a great out look on life, I lost contact with ted when he left the Guard, but he played a big part in my life, I had just returned from Vietnam when I met Ted, he helped me not to take life to much to heart. I have not seen Ted since then, but every now and then a deep memory keep creeping in to my life, I have told my kids about the time we spent to gether at camp Williams, had a lot of fun. what a great lost this world has suffered.
