“ *Love this beautiful woman. She was a kind and generous person. She loved to make people laugh by sharing personal experiences. She has opened her home to help others and lift others in times of need. She made everyone feel special. She loved to be around children and sing primary songs. She lived to fulfill her church callings with all her heart. She was a very wise and simple person. She was very frugal in her spending and her lifestyle. She loved her dear sweet patient husband. She adored her children and spoiled her grandchildren. She loved to support her siblings children and grandchildren in any thing good. She can be found in the kitchen cooking, dancing, or donating money to do her part as an "Amazing Auntie". She was a big "fan" of Elvis and no wonder she picked Samiu lahi as her companion. Samiu lahi made her feel special with all his dance moves and jokes. We loved to hear when she got up to bare her testimony on Sundays because she touch all of our hearts with experiences she shared. She was definitely admired by many because of her strong beliefs in sharing truths.*

Auntie Teleita you are truly missed and we appreciate you for setting a wonderful pattern in how to take care of our families and neighbors. Ofa atu

Sincerely,
