“ *I remember walking with her across the street down the little dirt trials to the ditch that ran there.I caught her a blue belly lizard that She held onto and loved the hole time we walked around talking.She was my age.That was the only walk i took with her but I was amazed at the caring love she showed that lizard.She would baby talk to it.She is a sweet spirit and God bless Her.*

“ *Teri and I had so much fun hanging out together whenever we saw each other. I was always so happy to have a cousin my age and that enjoyed the same things as me. I only wish we had lived closer so we could have spent more time together growing up. I always loved telling my friends that I had two full samoan cousins. Teri was a great person and I am so thankful that she is free from pain. I loved her laugh and her voice. She is one happy girl and yes they did receive a great person in heaven.*

“ So very very sad to lose my friend of 35 years. I will miss her so, but I will always have my memories and the laughs we shared together. It is those memories that will get me through these sad days ahead. I know that she is now at peace with no pain, and sharing her funny infectious laugh with all above. She was truly a good soul, and I am so thankful and blessed that we were friends. I wish the Horsely family much love. May God bless you and help guide you through these very sad times. Thank you for sharing Teri with the world, she was ONE of a SPECIAL kind. Take care. With love, Debbie (Alex ) Spencer.

“ *When I think of my sister music comes to mind. I spend thousands of hours singing along with her in her car. She gave her entire being to the beat and would choreograph a grand performance while driving down the street. Had it not been for her timid nature, I'm quite convinced, she could have been the national karaoke champion. I literally know every single word to every single song Tina Turner EVER sang... so ingrained in my mind I couldn't forget a word if I tried. She was one of those rare souls who has the honor of leaving this world without ever making a single enemy.*
