“ It is such a blow to find out about Terri's passing away. I tried to look her up to see if she was coming to the Skyline 50th reunion, to find out that Terri had passed away. I ran around with Terri in high school with her, Peggy Lorri, Collette, Pam and others of the gang. Terri was always kind and loving and fun to be around. Wow! this is Shocking! She will be missed. - Guy Marlowe

“ Terri was an energetic employee always smiling and enjoying life. We had so much fun as a crew with Terri, Peggy and Linda our Nacho girl. When I was pregnant with my son Terri and Peggy went all out and helping me so much. I so loved my crew. Terri was a great soul that brought so much joy to her family, coworker and customers. “ My favorite memory of Terri was when we worked at 7-11. I was a new employee trainer and when I would go on vacation Terri would work for me. When I would come back to work there would be orange finger prints all over my desk, my papers and my entire training area. Terri loved to eat Cheetos. How I loved those days working, laughing with Terri. I pray she loves being reunited with her loved ones. Bruce Hager
