Tolufale Lealofi Tamasese

1955-2015

Our dearly beloved father and husband Tolufale "Molonae" Lealofi Tamasese passed away peacefully in his home surrounded by his family Tuesday, February 3, 2015 at the age of 59 years. He was born in Vaimoso, Western Samoa March 15, 1955. Later he moved to the United States where he met and married his beloved wife Katiola Silia Unu in July 1980 Santa Ana, California. Soon after, they were sealed for all time and for eternity on April 10, 1993 in the Los Angeles Temple of The Church of Jesus Christ of Latter Day Saints. He was a strong member of the church who held various callings. He continued to guide and embedded the teachings of the gospel within his home. Like the humble man he is, he was a man of few words with a peaceful heart and having a strong family bond meant everything to him like his motto "There's no place like Home".

He is survived by his wife of 35 years and 5 children: Ruby (Breeze) Sakaria, the late Ofa and Losiane Tamasese, Viola (Uate) Kaumeafaiva and Hunter Tolufale Tamasese.

His services are as follows February 11th 2015.

A viewing will be from 9:00 am until 12:30 pm. His service will follow at 1:00.

Interment will be at Redwood Memorial 6500 South Redwood Road

As we continue a new year without our family's patriarch, we wish him a new beginning in eternal life We Love You DAD!

“ *I love you so much uncle! I smile through the tears knowing that every single memory I have of you warms my heart. I will never forget when I was 10 years old and Doris and I flew down to California to stay with you, aunty and the girls. We had such a blast and you are such a humble, kind and caring man. I am so proud to call you my uncle. I only wish I could have seen you one more time before you left this earth but I know I when the time is right, I will see you again. Love you, always.*

“ I cant believe that your gone already. But it was good that I got to talk to you a week before you rested in Gods hand. I am surely blessed and thankful to have you in my life. Thank you for setting a good example, loving me like your own child, letting me live under your roof when I was little, providing food for us to eat. I can go on and on but I still remember your words you said to me which was "focus on school so that one day you will come back". I love and miss you so much, blood or not YOU ARE my second daddy.

“ i loved that he was always concerned about me and how I was doing. He taught his children to always love others. The attributes of our Savior is what best describes how he made me feel. Thank you for being the best big brother anyone can ask for.

“ It's a very sad day for myself to hear that uncle left us to soon. He is a very great man to all of us kids when we were young. We know he is in a better place in heaven with our heavenly father and is watching over us. He will be miss and grandma too. And i'm so sorry that we can't make it out there to show our support my wife is in the hospital having her surgery later on today, and for my self I don't know you all know that I have a dianosis of cancer, I had surgery and should be okay. Love the Joe and Mindy Tamasese and kids from Stillwater MN
