“ Dear Lena, Gilbert, Chantel, and David. Your mum holds a special place in my heart. Loved by so many because of her kind, gracious manner. I loved being her assistant nanny for all of you starting with Calvin. These were special learning and growing experiences for me. Your home and parents became my home and second parents through the school holidays. It helped me prepare for motherhood. Through Aunty Tolu's example and training I was able to develop patience and confidence in handling babies and toddlers...but most of all, love for children! Especially as she had you one after another! She was so gentle, loyal and loving. She loved each of you so much when you were born. What a wonderful reunion she is having with your father and Calvin, but I imagine that she will miss each of you and all her grandchildren as much. I am grateful to have shared the time I did growing up with your mum, and she has blessed my life as she has with so many others. I will miss our little chats, laughing together and reminiscing!
Tofa Soifua Aunty....until we meet again!

“ To Gilbert, Lena, Chantel and David. We're all heartbroken by the sudden loss of Tolu, best friend, sister, and most loyal confidante to our mother...and to us kids, always a woman generous with her kindness and well loved not only by us but our entire extended family due to her 35 year friendship with our mother. Our fond memories of both your parents...Tolu a quiet, kind, gracious woman and Eddie a jovial, hilarious man who my own father had a great deal of respect and love for are now together again. We all rejoice in their reunion and ache with you at her immense loss. May Heavenly Father sustain your families at such a heartbreaking time we all REALLY LOVED your mom!

“ To Lena. Chantel. Gilbert and David. Our love and thoughts are with you during this tender time of your mothers passing. She sure was a strong humble servant with a legacy of goodness reflected in each one of you and her beloved grandchildren. Cherish every memory. I still remember being the flower girl at her wedding - a big event for a little girl! And our big family gatherings in Hamilton when we all lived in NZ. What a wonderful reunion she is having with your dad and brother Calvin and EVERYONE else too! May Heavenly Father bless you and your families always xxx
