Tonja was my older sister, my sidekick, my best friend. confidant. I miss her more than I can express. I love the time we spent together even when you made me crazy. It was an honor to be with you when you had the need of a helper. I treasure our trips. I laugh at so many experiences of drawing a crowd, waiters and waitresses sitting down to chat with the sisters. I love you, sweet sister. Save a place for me there by your side. Patricia
