

Travis Richard Fredericks

July 1, 1981 - April 28, 2024

Travis Richard Fredericks returned to his Heavenly Father on April 28, 2024, at his home in Kaysville, Utah, after surviving cancer for 14 years. He was born July 1, 1981, in Ogden, Utah to Richard and Darlene Fredericks.

Travis grew up in Kaysville and attended Davis High School where he loved playing his trumpet. He enjoyed watching all sports and was a devoted Broncos Fan. He went on to serve a mission in Dallas Texas for the Church of Jesus Christ of Latter-Day Saints. He loved serving the people of Texas.

February 26, 2004, he was sealed to his best friend, Stacy Taggart, in the Salt Lake Temple, for time and all eternity. They were blessed with three amazing children, Aiden, Laycee, and Hunter.

At 28 Travis was diagnosed with colon cancer. He never gave up the fight and tried everything possible to buy all the time he could to live longer for his family. He endured countless surgeries, pain, chemo all so selflessly for his family.

Travis had a radiant personality and he uplifted those he met. He was a kind, caring, accepting, genuine friend. We adored him! Throughout his cancer he never stopped making everyone around him laugh and smile. He was talented at everything he put his mind to. He was an incredible father, friend, and

husband. His life was filled with many interests including reading, playing games, and watching TV, but his favorite was his wife and three amazing children.

Travis is survived by his loving wife, Stacy, and their three children: Aiden, Laycee, and Hunter. They miss their husband and father very much and look forward in faith to the time when they can be together forever. He is also survived by his parents, Richard and Darlene Fredericks, in-laws, siblings, nieces, nephews, and countless friends.

Funeral services will be held on May 3 at 10 am at the Kaysville, Utah Central Stake Center 555 North 100 East, Kaysville, Utah 84037. Viewing will be on May 2 from 6 to 8 pm and May 3 from 9 to 10 am at the Kaysville Utah Central Stake Center. Interment will be in the Kaysville Cemetery.

Travis' family would like to thank the doctors and nurses at Hunstman Cancer Institute who cared for him, his hospice nurses, and the many family and friends for their love and support.

“ Love you.

When Danny had all 4 of his hip surgeries and laid up in bed it was Travis who ministered to him in the day when i was working and the kids were at school. He would invite him to play games or chat about football.

I know many others that had the same blessing of comfort from Travis even if it was online.

Travis shared his gift of love with friends and family. He endured as a faithful servant of Our Heavenly Father. I witnessed that gift of endurance, servitude, and love. I can testify his strength he shared with His beautiful family as his role as a father and husband.

I watch as his children has exemplified his attributes of love, integrity, and strength and see why Travis endured through it and know his purpose was to give his children a foundation in Christ. Watching my friend in bewilderment how she does it all taking care of home, family, work, and caretaker. Love you sis.

It brings me real joy to watch who the kids have become. Aiden became a man of integrity and honor and a college graduate at 18 . He always stands firmly on the covenant path. He stands for truth and righteousness and can't wait to see what his future brings. Laycee has become a strong woman like her parents and shares her gifts like her dad in comforting all around her. Making sure everyone is happy like her mom. She knows how to make everyone feel included. What a choice daughter of God. Hunter became a man overnight. He too shares the social gifts of sharing happiness. He has become a strong young man and devoloping his talents, but being noble and humble. And that smile... just brightens my day. My lillte Hunter not so little anymore.

Love my Freddie's
