

Unabel Davidson Low Peck

January 1, 1932 - March 17, 2022

Unabel Davidson Low Peck, age 90 passed away of natural causes at her home in Murray Utah on March 17, 2022 on St Patrick's Day surrounded by her family. She was born to Orvy and Annie Davidson on January 1, 1932. She was the New Years baby in Cardston, Alberta, Canada. She married Garth R Low on December 19, 1950 at Mountain View, Alberta later divorced in 1971. Re-married in 1982 to Charlie Peck later divorced 1988.

She is the youngest in the family of 7 and grew up in the small town of Mountain View, surrounded by the majestic Rocky Mountains. Life at the family home was a favorite memory for her. There she had a favorite horse named Tony and various dogs she absolutely adored. Song birds in the early morning reminded her of a verse from a poem by her Father, "Mountain View is a pretty little place". Unabel loved life in Canada. She was the Cardston Town Days queen as pictured while she rode on a decorated car.

She learned to play the piano and that began a life with music. After moving to Salt Lake City with her young family she signed up and completed organ training by Frank Asper at the Tabernacle on Temple Square. In ensuing years she did play the piano while Garth sang at various ward Chapels. She was the ward organist for much of her life.

Unabel excelled putting thread to cloth to create many hand stitched

keepsakes. Expanding her skill as a seamstress sewing family clothes then for the family drapery business owned by her and Garth. As years of sewing many thousands of draperies wore on her hands she changed occupations to serve school lunch in elementary schools, eventually becoming a manager thus fulfilling life prediction that she would be around children and have the opportunity to offer her kind, caring heart to them. She adored the many ladies who worked with her, they saw her love of children and followed her lead. Unabel was an excellent cook, this she learned from her mother. Family gatherings with Una were sure to be sumptuous meals with deviled eggs, potatoe salad, hot rolls, sloppy joes, her very special apple pie and fun conversation.

Her home was always open to the many visitors from Canada, New Zealand and other parts of the world. She welcomed them with a place to sleep and food to partake. Many memories of so many family and friends visits.

Enjoying activities for her was watching her sons and grandchildren play baseball, football and basketball. She enjoyed traveling, camping, fishing, being in the outdoors tending her yard. For recreation doing golf and bowling. She mostly cherished time with her children, grand children and great grand children.

Crafts of various types gave her relaxation to show her talents with art and creative works.

She gave sage advice to her sons about life and living, in particular the reminder to think of others before thinking of yourself. To marry your best friend was her advice fulfilled.
