“ *My mom was very special. She was the major guildpost in my life. Now that she has moved on to a better place I feel lost. But I know that we won't be apart forever, and all I need do, is to remember all the things that she has taught me to find my way again. Mom time will pass, and the pain will ease. But I will never stop missing and loving you dearly.*

“ *What a sad time in our lives to lose such a precious person! My thoughts are with the family as you all enter your next steps in life with her guiding your way. Aunt Bonnie, you told me and Tammy once that we were being silly girls to say "Good bye" (as we cried to the "Good-bye Girl" song) and that it was never "Good bye" only "So long"...and with that, So long Aunt Bonnie I love you and I know you are with our lost loved ones and our lord!*

“ *Charlie and kids: NO one will miss your wife/mom any more than I will. We were best friends from the time we were 8 years old. Please take care of each other and send me an email when you think of it. I loved her and, of course, each of you through her. She was a "special" lady and will be missed by all who knew her!!!! alice belen*

“ *I am so sorry for your loss ,Charlie(Dad). I thought of her as my second mother...hens why I have always called her mom. The times you would go out of state,and couldn't bring her along, she was sad. We'd spend hours, talking. She always talked about being a Navy wife...& how she loved it. And, of course, we talked about how much she loved and missed you. She was a sweet lady. She's gonna be missed ,bunches.
"Hi Ma! I'm not saying goodbye...only, until we meet again. I love you"*

I was so sorry to hear about your loss. I'm a friend of your sisters. I came to Virginia years ago with them and you took us to the Lido and the beach. Take it one day at a time and I wish you the best.
