December 9, 1959 - December 26, 2019

Vernon W. Frasch passed away peacefully on December 26, 2019, at home in West Jordan, UT. He will be deeply missed by his family and friends. Vernon was born December 9, 1959, in Lancaster, CA to Harley and Kathryn Frasch. In 2014, Vernon married Rae Lindsay. Though their time together was short, the love and commitment they shared carried Vernon through various challenges, including his health.

In 1960, the family moved to St. Charles, SD to help with the family farm. He had several fond memories of his time on the farm, especially his bond with Blackie, his Labrador Retriever. He graduated from Bonesteel High School in 1978. Vernon's first job was working on a ranch near St. Charles, SD.

In 1983, Vernon joined the U.S. Marine Corps, and proudly served his country as a tracked vehicle technician until March of 1989. After receiving his honorary discharge as a corporal from the Marines Vernon resided in the Sacramento, CA area.

He attended American River Community College, and earned a degree in welding. Vernon started his welding career building commercial grade emergency ladders. Soon after, he began working for C-Tech/Doppelmayr in Sacramento, CA, and then transferred with the company's move to Salt Lake City, UT.

Vernon was active in the community through his involvement at: Prince of Peace Lutheran Church, Veteran's Administration Peer Support program, and the Utah West Marie Corps League. He was especially proud of his experience hosting foreign exchange students.

Vernon is preceded in death by his grandparents, Arthur and Jewel Richardson (maternal), and Alfred and Christina Frasch (paternal). Vernon is survived by his wife, Rae Frasch, and his parents, Harley and Kathryn Frasch. His siblings, Beverly Kafka (Tim), and Robert Frasch (Rita), a niece, five nephews, and several great nieces and nephews. Vernon had a special relationship with his extended family; Elizabeth Arrington (Sean), William Lindsay (Cassie), and grandchildren; Griffin, Holden and Harper. Also, his foreign exchange "daughters," Lily and Yukiko.

*I will miss Vern in Bible class every week as he had great knowledge of the Bible and loved to share it with all of us. I am sad for us left behind but so very happy that he has his Crown Of Glory and is dancing with Jesus! My heart-felt condolences for Rae and his family.....hugs!*

*I am sorry that I now just heard of Vernon's passing. I was classmate of Vernon during HS in Bonesteel SD. Vernon was Bonesteel's High school's quality long distance runner. He ran the 2 mile and maybe the mile as well. It was not uncommon for Vernon to run the 8 miles from Bonesteel to their farm in St Charles after school and after normal track practice. I recall him being a funny guy and on the track bus his singing and jokes would crack up the entire team. He was pretty good student as well. A dedicated person so I am not surprised that he would do very well in the US Marines.*
