

Vickie Marie Crosby

June 16, 1954 - March 19, 2022

Vickie Marie Crosby, age 67, passed away surrounded by family and immeasurable love on Saturday, March 19, 2022. She faced her trials with tenacity, courage, and grace until the end.

On June 16, 1954, Vickie was born to Jack and Bertha Main in Phoenix, Arizona. She was one of four beloved children. Her formative youth took place in Phoenix, where she graduated from Central High School and attended college. During a school break, she met Craig, and the two were married in May of 1977. Together, they had five children. In addition to caring for her family, Vickie served as a faithful member in many callings for the Church of Jesus Christ of Latter-Day Saints. Later in life, she proudly worked as a teacher's aid at Lakeview Academy. However, her true joy in life was spending time with her loved ones. Vickie's capacity for kindness, compassion, and empathy will be remembered by those whose lives she touched long after her passing. Left to honor Vickie and remember her love are her two sisters, Brenda and Jackie; her husband, Craig, and their five children, Adrian (James), Craig Jr. (Brenda), Elizabeth (CJ), Bryce (Mandy), Talya; and ten grandchildren. Wife, mother, grandmother, daughter, sister, and friend, she held many titles and will be missed beyond measure.

Family, friends, and others whose lives Vickie touched are invited to the memorial services on March 28, 2022. Viewing is from 10:00 am - 11:45 am,

with the funeral immediately following at noon. Services will be held at the Church of Jesus Christ of Latter-Day Saints Copperview 6th Ward meetinghouse at 12232 S 3200 W Riverton, UT 84065.

“ *My bride of 45 years. Vickie was a great lady. Loving, compassionate, energetic, beautiful(hot). Unwavering in her testimony of her Savior Jesus Christ.*

Words of a song say what I feel.

"been a long lovely love affair with you and I need another long lovely life to see it through". - see you in a few-

“ My connection to Vickie was through Matt Crosby who married my sister Amy. Because of that relationship we had mutual family events. Vickie was memorable because she wouldn't leave until the last little bit of the function was cleaned up even when she wasn't feeling well. She was a sweet soft spoken woman always smiling. I am glad that I got to meet and associate with Vickie on those few occasions. Rest In Peace Vickie. What a valiant daughter of God you are. May peace come to you Craig, and your kids and all who loved her until you see each other again. 🙏

“ Vickie and I grew up together in the Phoenix 16th Ward of the Phoenix North Stake. She was a year younger than me, but she was my friend.

She was a beautiful young girl, but she didn't let her beauty go to her head. She was a very down-to-earth person.

Her parents were wonderful people and were good friends of my parents. Her sisters were awesome, too!

The one thing I have always remembered about Vickie is that she saw me off in Salt Lake City when I arrived at the Mission Home and began my mission on September 27, 1975.

My parents had been killed by a drunk driver on July 16 that same year. My brother Jeff took me to the mission home, and I may have had a former roommate come to say good-bye to me, but the fact that Vickie Main came and saw me off left me with such great joy and love for her kindness. She represented a little piece of home and all the wonderful people of the Phoenix 16th Ward.

Thank you, Vickie! May you rest in peace. You will never be forgotten.

Vickie and I lived down the street from each other until we both left home. We had lots of memorable experiences together and spent time at each other's homes quite a bit. Her mom even bought us the exact same dress so we could look like twins! Later on after we were both married, I remember a time when I just had a baby and she called on me to see how I was doing. I needed to take my newborn to the hospital for a blood test and she offered to take me and be there with me. I'm seeing she did things like that for so many people. Such a great woman and so special to all that were part of her life, she will be greatly missed.
