Virginia Sligting, a beloved daughter, sister, aunt, and friend, passed away on September 29, 2023, leaving behind a legacy of love, kindness, and unwavering faith. She was preceded in death by her parents, Henry Alexander Cornelius Sligting and Doris Grey Sligting, as well as her sister-in-law, Carol Haight Sligting. She is survived by her older brother, Henry Grey Sligting, and her cherished nieces and nephews: Nancy Sligting, Michael Sligting, Kathleen Heward, Douglas Sligting, Scott Sligting, Allison Mays, and Mathew Sligting.

Virginia's formative years were spent in the Avenues of Salt Lake City, a place that held a special corner in her heart. She graduated from West High School in 1959 and later earned a degree in Sociology from the University of Utah. Her career was dedicated to soil conservation, where she worked tirelessly for both state and federal governments.

Among her many passions, Virginia enjoyed collecting unique spoons from her various travel adventures, creating intricate needlepoint pieces, and delicately decorating Ukrainian eggs. However, her greatest joy was derived

from her family. She possessed a boundless love for them and would go to any length to care for their needs. Virginia was marked by her genuine nature, an absence of guile, and an innate generosity that endeared her to all who knew her.

A devoted member of The Church of Jesus Christ of Latter-day Saints, Virginia's faith was unshakable. Even in moments when she stood alone, she made attending church a steadfast priority. She served with dedication as a Relief Society teacher, spending hours meticulously preparing lessons and sharing the wisdom she had gleaned.

In the final years of her life, when communication became a challenge, Virginia continued to emanate love and joy to those around her. By simply being in her presence, you could feel her warmth as she still had the remarkable ability to make others feel cherished, happy, and loved.

Virginia Sligting's passing leaves a void in the hearts of those who knew and loved her. However, her memory will live on through the countless lives she touched with her kindness, generosity, and abiding love. She will forever be remembered and her legacy will continue to inspire acts of goodness, love, and compassion.

“ Back in 1954 or so, I went with my cousins Virginia and Henry and their parents on a wonderful trip to southern California and San Francisco. The three of us shared the back seat of the automobile, a Hudson, if I remember correctly.

Our family used to visit the Slightings when they lived on Seventh Avenue and watched their new TV set. This was in the early 50's and had fun playing with both Virginia and Henry. We pretty much lost touch when I moved to Ithaca, New York and then to London, Ontario, Canada.

Love to the family,
