“ *OMG*

Mark Shampton - October 11, 2019 at 02:01 AM

“ *She was my best friend when I was 7. Always thought I'd have more time to find her and reconnect. I've missed you all this time Angie, and I'm sorry we lost touch. I still remember hanging out at your house watching Neverending Story and trying to trick your mom's Venus fly trap plants and eating too many sugar cubes. Not fair you were taken so soon. Love you always.*
