

Wayne Edward Williams

April 12, 1944 - November 6, 2024

Wayne Edward Williams, 80, passed away on November 6, 2024 in Eagle Mountain, Utah. He was born April 12, 1944 in Kansas City, Missouri to Ollie Patterson Williams and Mary Rosetta (Patterson) Williams. He married Arlene May Barr August 1, 1966 in the Logan, Utah Temple.

Wayne was a graduate of the 1962 class of East High School in Kansas City, Missouri. After graduation, he worked full time while attending college classes in the evenings. He was introduced to Arlene Barr by his sister, a co-worker at her part-time job. They married in Utah and settled in Independence, Missouri, where they raised six children. Wayne was a proud father who worked hard for his family while serving in many roles in the Church of Jesus Christ of Latter Day Saints. As a member of the bishopric, he kept a constant eye on his [sometimes misbehaving] kids. His main careers were in Convenience/Retail Management and Entrepreneur/Cookie Company Owner; his cookie company (Wayne's Cookies) dedicated different cookie flavors with names assigned to each of his kids and other close family members.

He and Arlene relocated to Utah in early 1998 and lived in Salt Lake county before finally building their ideal home in Eagle Mountain, Utah. He spent countless hours with grandchildren, taking care of them before and after school, moving them from place A to place B, running errands and taking them on adventures, teaching them how to take pictures, guiding them, and

loving them to the moon and back. His patience with his grandchildren amazed his children. Wayne was an emotional man and gave himself the nickname of Weeping Williams. He loved the mountains. He loved fishing. He loved photography. He loved all (but especially his) dogs. He loved listening to his kids and grandkids sing and play music. He loved road trips and exploring new places. More than anything, he loved his wife and the family they made.

Wayne is survived by his wife, Arlene M. Williams; children Pamela Thrasher, Shellee Anthony, Wayne E. Williams II (Angela), Michael Williams, Rebecca Budd, and Kathryn Godoy (Javier); grandchildren J. Michael Hardin, Charles Hardin, Jasmine Guthrie, Darwin Guthrie, Keiran Williams, Alex Williams, Rush Taylor, Samuel Taylor, Anna Taylor, Quinn Budd, Ollie Budd, Skylar Risenmay, and Layla Godoy; great-grandchildren Kayzlee, Darwin, and Zaylah.

He is preceded in death by his parents Ollie P. Williams and Mary R. Williams, his sister Mary Julian and brother-in-law David Julian, half-brothers Donald Shepherd and Charlie Williams, granddaughters Brittany Guthrie and Kathlene Williams, parents-in-law Charles and Venice Barr, and brother-in-law Robert Barr.

A viewing will be held Tuesday, November 12th from 6:00 - 8:00 PM with a memorial service Wednesday, November 13th at 10:00 AM. Both will be in the Relief Society room at The Church of Jesus Christ of Latter Day Saints, 3793 Rose Hearty Lane, Eagle Mountain, Utah 84005.

Please share memories and condolences at www.serenityfhs.com.

Germany, Uganda, Uk, Dubai to Join illuminati to get Rich call +256758471138 .

No matter how much the rich have, they always want more. And the richer you are, the more you get. And the more you get, the less others get, so you are actively making the poor poorer. Isn't that the world we live in? That's how we have the 1% versus the 99%. They will take everything from us, unless we take it all back from them. The difference between a successful person and others is not a lack of strength, not a lack of knowledge, but rather a lack of will. call +256758471138

OUR GOAL is to free minds from the chains they've been confined to. We know that the masses are awakening, and that they're ready to get rid of what holds human civilization back. We all die. The goal isn't immortality, it's to create something, a system or a future, that is. Be a part of something bigger, and get rewarded generously for it.

{+256758471138}

=Benefits of Being an Illuminati Member

There are many benefits of being an Illuminati member apart from Wealth Power Fame and Protection we also provide you with the opportunity to fellowship and share knowledge with other members. It also gives you the opportunity to mentor those who want to achieve wealth and overall well-being. The members are reminded to appreciate ethics, morality and principles, while others find satisfaction in advancing their positions within the society.

Over the years, the Order has become a popular topic for movies, novels, websites, and even video games. From the Great Depression, which was ultimately necessary, to world wars. In many people's minds, the Order idea ties in with the New World Order, a current political idea about a one-world government, religion, and financial system. The New World Order is the outward goal and we are the secret power working behind the scenes to achieve it.

Many pseudo-entertainers are aware of Illuminati legends and work those symbols and myths into their acts to fuel further speculation. Supporters of this idea say organizations like the United Nations, European Union, the World Health Organization, the World Bank, International Monetary Fund, G-20 Economic Group, the World Court, NATO, Council on Foreign Relations, World Council of Churches and various multinational corporations are pawns of the New World Order, nudging the world closer and closer to this socialist, one-economy, one-religion future.

The Four (4) Member Levels of Illuminati La Council Consists of:

1-Multi-millionaires

2-Global Leaders

3-Members of Royal Families

4-Most of successful musician

5-Current Highest Ranking Members of The Most Powerful Clubs, Organizations and Associations in the World

=1. Rich and Famous:

The Illuminati does control the entertainment industry. If instant you need fame and free money you need to sell your soul to Lucifer buy making ritual sacrifice of any nature. however the more blood sacrifice you make is the more riches and fam. make your dream come true by joining illuminati today.

=2. Religion:

The Illuminati will buy or help you sell your soul, and ritual sacrifice is required to join. The Illuminati is a nonreligious organization in exactly the same way that governments should be nonreligious. This calls a pone all the religious believers who need extra powers and forces to join illuminati today to make things the way you may need it to be.

There are many Illuminated groups, with different kinds of secret knowledge. Anything you might say about them (including this) will be false for some of the Illuminati, but true for others, which only adds to the confusion and mystery. {+256758471138} or atallcountries@gmail.com

“ TRUE LIFE TESTIMONY , THANKS TO JETWEBSHACKERS

I'm forever grateful to Jetwebhackers for their remarkable assistance in recovering the \$38,540 I had lost to a crypto scam. This amount was meant to cover my husband's urgent hospital bills, and I was deceived by a fraudster posing as Agent David, who promised me a return of \$380,940 - but it was all a scam. Thanks to Jetwebhackers' expertise and dedication, I was able to recover not only the initial investment but also the profit I was promised. Their help has been a blessing to my family, and we can now focus on my husband's recovery without financial stress. I highly recommend Jetwebhackers to anyone who has fallen victim to crypto scams. They are professional, efficient, and compassionate. Thank you, Jetwebhackers, for your exceptional service and support during a difficult time!"

“ Words cannot express my sorrow. You directly impacted my life. So many of my accomplishments are from your presence and input. Your advice and guidance helped me survive and overcome adulthood. My ability to pursue a career and my outlook on life were heavily shaped by our many talks. Your stories. Your suggestions. And trips taking photos. I carry a piece of you in everything i do.
