Welishia Rosa Falo, age 38, passed away on Monday May 25th, 2020 in Rock Springs, Wyoming. She was born on January 9th, 1982 to the late Pele Pati Falo and Tile Mapesone Leituala in Salt Lake City, Utah.

Thank you ❤️. I loved the tribute video. Some of the pictures I've never seen of us. My heart goes out to Leesha and the kids, especially mum. I tried bringing her to the funeral but they won't let me due to the Corona virus. I love you my Mapesone family!

“ I first met Welisha in West Valley at mutual. She asked me how old I was and told me about her brother Peter that was my age earns told me to look out for him and be nice. Because if I wasn't, she would hunt me down and fasi me. Lol. As a sophomore in school, she stopped me a few times and asked, “what are you doing here and where's Peter?” I had to remind her, I was a grade older than Peter and I was really a sophomore. Welisha would say, “fia kama makua, a ea?” And then laugh her head off. I had just lost my sister the same year Welisha would check up on me. She had that same demeanor my sister had. They looked nothing alike, but the mannerisms were far too familiar. That's what I remeber the most about her. Manuia le malaga sis. Ia e loto tele ou fanau lenei taimi faanoanoa, ma maua ai le agaga a le Alii faatasi ma tei latou.
