

William M. Toon III

November 3, 1995 - January 14, 2024

William M Toon III, 28, passed away on January 14, 2024 in Utah.

Will was born on November 3, 1995 in Atlanta, Georgia to Bill and Jennifer Toon.

Will is survived by his parents and siblings Aubrey and Jacksen. He will be joining his sister Lauren and brother Jakob in heaven and waiting for their family to join them.

Sports were a central part of Will's life. To help control his energy he started playing tackle football at the age of seven in Midland, Michigan. Will was involved not only with football but also basketball, baseball, and speed skating (yes, Will had incredible long leg strides on the ice). In 9th grade, Will made the decision to focus on track and it wasn't throwing a discus or the shot put, it was running the one- and two-mile races. Will looked like a man among boys because he was so much taller than everyone else running these races. Will ended up going undefeated that year and made the Arizona high school team in both track and cross country during his sophomore year. At the beginning of his Junior year, Will moved with his family to New Hampshire where he switched to the 800-meter race in track and field, lettered while taking fourth place in the New Hampshire state finals.

Hanging out with his siblings and friends, cooking and eating (especially HOT

and Spicy food), gaming with all his relatives, and having chill days would describe Will if he was not out making money. Will enjoyed building computers, repair phones and Apple watches OR he would flip ANTHING with his buy low and sell high mentality. Will was a GREAT entrepreneur, especially the collectible sneakers! Anyone that knew him would agree his picture is next to the word “hustling”!

Will was fiercely independent and never wanted to rely upon anyone but himself. He did have dreams of being a loving husband and father including providing for his family.

Love was the center of Will’s life. Will loved his family and friends as both were part of his everyday posse. Will was extremely loyal to those that he loved and would always have their backs during times of need. At the end of every conversation with his family, his final words would simply be “I love you”.

The Funeral Service will be held on Friday, January 26th at 11:00 AM at the LDS Church located at 6411 W 11800 N, Highland, UT, 84003. He will be buried immediately afterwards at the Highland City Cemetery.

There will be a family viewing prior to the funeral service from 10:00 AM to 10:45 AM.

“ I will always remember you for you. One of the most charismatic, caring, loyal, intelligent, defiant, independent, and hard headed human beings I've ever had the pleasure of getting to know. The love and loyalty you showed to those you cared for held no bounds. The ferocity of your emotions and character and the beaming light of energy that you were resonated in every person you came in contact with. We met when you moved to Bedford NH, and on your first day you walked into your first class, humanities with Mr. Lukach and Ms. Corbin, and I made the decision to approach you and try to make you feel welcomed because you seemed as though you would fit into my friend group. Little did I know that you would become one of us seamlessly, as if you'd been there the whole time. You effortlessly persuaded people to your personality, and rewarded them with loyalty that was unmatched at our age at the time. You were incredibly talented at anything you decided to do. You're the one that taught me how to make something from nothing and to never ever let anyone say you can't. You were the one that inspired me and cared for me and was supportive of me when I was down and out and I reciprocated that every chance I got. I visited you when you were locked up and put money on your books when I could. I always did my best to steer you on the right path and to become the entrepreneur you always wanted to be and always were at heart. I am devastated by your loss, I wish I could speak to you one last time. To hear your laugh and to see your face. I will forever miss you. I hope you are with Lauren and Jake. I remember when you called me to tell me what happened with Jake and I could hear the heartbreak in your voice that you had to go through this again. I simply cannot imagine what your parents are going through. I promise you I will do my best carry on your name for the reasons you deserve to be remembered. I hope you have found peace and I will see you on the otherside my brother 💔

“ Devastating. Will was my best friend at Coca-Cola. I've never met a happier nicer guy. The news didn't make it here fast enough to pay my respects. Ive been missing you man. I'll see you next time around.
