

Willie "Will" Hendrix

September 9, 1977 - February 23, 2022

Our Superman Willie "Will" Hendrix and best known as "papa" by his grandchildren, was a loving husband, father, grandfather, son, and friend to all. The Lord took him from this world after several heart surgeries, suddenly on February 23rd, 2022, age 44.

Will was born to Darlene McCoy, on September 9th, 1977, in San Diego California. He graduated from Crawford High School in 1995, where he played football, and excelled in all sports. Later in life he moved to Utah and had 3 beautiful children. He held a variety of jobs, his last one was for 11 years with UBVR in the hospitality industry, where he excelled in making things look brand new.

Will's greatest comfort was his family. You could always find Will wherever the little kids were. He would play with them for hours. He would help anyone that needed his help at the drop of a hat. He was a great storyteller and would try to see if he could get you to believe him. His biggest joy was making people laugh. Will loved to play games with anyone that would play with him. Will also love to make up Rap songs and put his own beat to them. His big smile will be missed immensely.

He met the love of his life 11 years ago Lisa Olsen Hendrix, and they were married on September 24th, 2016, in Las Vegas, NV. Will and Lisa had a

special bond like no others. They worked side by side every day, they were each other's best friend.

Will is survived by his Mother Darlene McCoy San Diego, CA; his wife Lisa Olsen Hendrix of Sandy Ut; 3 children Angel Mae Hendrix Sandy Ut; Willie Hendrix (Olivia) Sandy, Ut; Jayden Hendrix Cottonwood Heights, Ut; 3 step children, AuBree Hansen (Travis) SLC, Ut; Tyrell Roberts (Chanel) Cottonwood Heights, Ut; Rylee Horton Sandy, Ut; and his beloved 9 grandchildren; Jagger, Romeo, Everleigh, Logan, Athena, Tytus, Zynniah, Archer, and Trigger.

Memories can be shared at "Serenity Funeral Home" at www.serenityfhs.com.

A "Celebration" of Will's life will be held on March 12th, 2022, 4pm to 7PM. At: Wasatch Retreat 2331 East Bear Hills Drive, Draper UT.

"In lieu of flowers", the family has asked for donations via Venmo to, Lisa Hendrix@Lisa-Hendrix-21.

“ We knew Will on a professional level before we became friends. The name "Will" fit him so well. No matter what it was we needed, he was always willing. Even if he didn't want to do it, he would offer to help and was willing to do it. "Here, let me do that", "I'll get that," "Anything you need, I can do it" and all with a big smile. That is a rare person.

Will helped us tackle whatever was in front of us, including moving after 16 years in one place. There are many times Will and Lisa saved the day for us. He truly was a "Superman" and lived up to that name as well. That big "S" around his neck on his chest was well deserved.

Forever I will remember his great music he would always clean by. It got us all pumped up and working hard. I remember him movin and grovin and I remember him trying so hard to fill his shoes even when he had to sit between moves and build his oxygen up. When leaving each time, he always said he had us in his prayers. That just shows how much he cared for everyone else.

He filled our hearts with love, gratitude and always shared his positive outlook on everything. We thank God for Will and the example of greatness he left for all of us.

“ Dear Lisa and family,
Please accept my deepest condolences, I am very sorry for your loss. At a time in my life, I needed a place to stay and Lisa and Will kindly offered me just that, and more. They welcomed me into their beautiful home with open arms, and I will forever be grateful for that. Will always knew what to say or do to make people smile and laugh. He was just the funniest guy. He was a very entertaining and lively person to be around, and all of the children in his life absolutely adored him. I am honored and blessed to have known Will. I know he will be looking out for his family always; that's the type of man he was. A good heart stopped beating, but a great soul soared to heaven.

I knew will since the seventh Grade. He was the cool kid who loved him some MC Hammer. He had an amazing spirit, and was kind, gentle, funny. May God bring comfort and strength during this season in your life. My condolences to everyone affected
